YOUTH Conference - “Agriculture & Natural Resource in the Classroom”

“Agriculture Livestock By-Products”

Sarah Lane
Arizona Farm Bureau Representative, Springville, AZ
SHORT BIO

“Canine Care and Responsibility”

Kendra Wapaha
Community Outreach Coordinator, Navajo Nation Puppy Adoption Program
Navajo Veterinary and Livestock Program, Navajo Department of Agriculture

Kendra is Dine’, born into the Red-Running-Into-Water People, born for the Chippewa tribe. The Anglo-Saxon Clan is her maternal grandfather’s clan and the Chippewa tribe are her paternal grandfather’s clan. Her office is located within the Navajo Veterinary & Livestock Program building in Window Rock Arizona. Since the 1860’s and through six generations, Kendra’s family has owned and operated a sheep/ewe production.

“Domestic Water Conservation”

Larry Jackson
NTUA Water Conservation Specialist
SHORT BIO

“Garden in a Box”

Carole M. Palmer
Education Coordinator, National Wildlife Federation, Tribal Lands Conservation Program

Ms. Palmer works with tribal schools and communities to develop and maintain vegetable and flower gardens, native plant walking trails and other projects related to community health and environmental education. She collaborates with the Cooperative Extension and other organizations to provide workshops and hands-on training opportunities for community members of all ages on these topics. Ms. Palmer also coordinates the Gallup Farmers’ Market with a team of volunteers. Prior to joining NWF, she participated in regional networking efforts to support school gardening, community gardening and land restoration projects both as a volunteer at St. Michaels Association for Special Education and while working for NAU’s “Diabetes Prevention Through Healing Gardens” program. Ms. Palmer has lived in Arizona for 25 years, residing on the Navajo Reservation since March, 2004. Her clans are Irish, Swedish, Scottish and German.
